I understand that I am responsible for obtaining and familiarizing myself with Virginia Tech's Parking Rules & Regulations, and by checking the checkbox below agree to abide by them. I also understand that I am responsible for any fines or fees associated with this permit or the vehicle to which it is attached. And that non-payment of any fines or fees could result in the immobilization or towing of my vehicle or deactivation of my permit.

Please Note: If you are working at the Northern Virginia Center, please notify Phil Skomra - pskomra@vt.edu and/or Barbara Barrett - bbarrett@vt.edu that you have purchased a permit and to have their name and permit number on file.
Step 6: A new vehicle must be created to properly register a bicycle.
Step 7: When filling out this form, make sure to have the correct serial number on the bicycle being registered. The field "Plate Number/SN" is where you should put the serial number from the bicycle. For the "State/Province" field, you should select "Bicycle Use." The more information that is provided the better, but all other fields are optional. DO NOT fill in the field labeled "VIN."
Step 8: The field "Pay.Parking Notes" should be filled in with "na."
Step 9: Select the Bicycle you have just entered and click the next button.
Step 10: If the website will not allow you to select your Virginia Tech email, a primary email must be registered with Parking Services. This can be done online, and the process will not restart if you leave this page. You may also need to do this with your local address. If you live in a dorm, be sure to include your room number and ask your resident advisor if you are unsure of your mailing address.
Step 11: The checkout will not ask for payment information or charge you.
