Parking permits may be purchased at www.parking.vt.edu or in person at the Parking and Transportation Office. Faculty/staff and students must present their Hokie Passport and vehicle registration.

Permits may be purchased using cash, check, MasterCard, Visa, or Hokie Passport. Eligible faculty and classified staff may purchase permits using payroll deduction for yearly and spring semester permits during the enrollment period.

Eligible students may also pay for their permits through their student accounts for yearly and spring semester permits during the enrollment period.

FACULTY/STAFF PARKING
Faculty and staff may park in faculty/staff, commuter, graduate, and resident parking areas. Parking is not allowed in areas restricted by signs, such as service vehicle areas, carpool spaces, teaching assistant spaces, graduate reserved spaces, visitor spaces, and admission guest areas.

RESIDENT STUDENT PARKING
Resident students may park in the resident sections of the Duck Pond Drive Lot, Stadium Lot, and the Chicken Hill Lot. Stadium Lot, Chicken Hill Lot, and the perimeter of the Duck Pond Drive Lot are restricted during home athletic events.

COMMUTER AND GRADUATE STUDENT PARKING
Commuter and graduate students may park in the commuter section of Litton-Reaves Lot, the commuter section of Squires Lot, Track/Field House Lot, Duck Pond Drive Lot, Smithfield Road Lot, Oak Lane lots, and in commuter areas of the Coliseum Lot, and any resident space on campus.

Students who purchase the Graduate or Commuter Perry Street permit may park in the C/G Perry street areas and in any other valid C/G/R space on campus, not restricted by signs. Commuter and graduate students may also purchase a Remote student permit at a lower rate and can only park in the off campus student remote lot and walk or be shuttled to campus.

LOADING/UNLOADING
Before loading or unloading, individuals with a current permit should call Parking Services at 540-231-3200 and ask to be “green-logged.” This allows individuals to park in certain spaces for up to 30 minutes to load or unload.

OVERNIGHT PARKING
Overnight parking (2–6 a.m.) on campus is prohibited except for university business. Residents displaying a resident parking permit may park in resident parking lots overnight.

CITATIONS
• Most parking citations—$45
• Expired meter citations—$35
• Parking in a fire lane, bus lane, or air intake area—$70
• Unauthorized or fraudulent use of any parking permit—$175 (including misuse of daily permits)
• Parking in a handicap space or handicap access area—$175

BOOTING
Vehicles that receive five or more citations in a semester, have a balance of $200 or more, or have a past due balance of more than 120 days, will be booted. To have a boot removed, individuals must first pay the balance for all unpaid citations (online or in person) and then visit the Office of Parking and Transportation to pay the $35 boot removal fee.

TOWING
Vehicles are towed at the owner’s expense under the following circumstances:
• An outstanding balance of $200 or more in unpaid citations and late fees.
• If a boot has not been removed within 36 hours.
• Parking in a handicap zone, fire lane, loading dock, emergency snow route, or in violation of athletic event parking restrictions.
• Creating a public safety concern, such as obstruction of traffic flow.

APPEALING A CITATION
Appeals must be made online by going to https://parking.vt.edu or in writing on a Parking Services Appeals Form (available at Parking Services) within 10 calendar days of ticket issuance. Tickets must be paid in full before being placed in appeals. If, after review the ticket is overturned, a refund will be mailed to the appellant. Individuals who disagree with the decision may request that the Appeals Hearing Committee review the appeal. Failure to formally appeal a citation within 10 days of ticket issuance negates any right to further address the violation.
